These are the dates for this year's State Fair. The assignments are based on last year's assignments. However, last year there were several conflicts with cabinet meetings, if there is a conflict, please trade with another Trustee in order that you are available to work on your day. If you are not comfortable asking Lions to work for you, ask someone in your district to assist you. It is imperative that we fill every shift available to us in order to maintain our great working relationship with the Fair Managers we work for. The biggest concern is that we fill our promised shifts. They also do not want too many extra workers. They can usually accommodate 1 or 2 extra, but that is about all.

The starting times will change this year! The only shift would start at 7:30 AM and end at 4:00PM.

At this writing we are asking for 15 people daily. We can have more, but we must be able to fill our commitment each day.

If you can help sell tickets please contact the Trustee in charge of the date you can work.
